We at Saint Margaret believe that every life should be treasured and loved. No one should ever feel unwanted. Saint Margaret knew much suffering and abandonment in her life, though she never lost her Faith nor Trust in God’s love and shared it with whomever she met. We at the Saint Margaret Home wish to emulate her generosity of Spirit and love for those feeling unwanted or abandoned – respecting the Life of every Woman and Child. The Saint Margaret Home wants to do what it can to make sure every life is appreciated.

Dear Friends,

Happy Fall! I hope everyone had a great summer. My family spent the summer mostly at local playgrounds, splash pads and parks. We were able to spend a few nights down the shore which was a blast. Making memories and truly being present in the moment is my favorite thing to do with my family and friends. The newest challenge at my house is trying to get rid of the training wheels! Feel free to send any tips my way!

Here at the SMOC Home, we have been hard at work helping empower parents on their new journey. More and more dads are participating in our programs which is super exciting. Two residents ended up delivering beautiful baby girls 2 days apart this summer! The only boy in the Home was thrilled to have new friends in the house yet remain the sole little prince.

Recently I celebrated my 7th work anniversary here at SMOC and still think I have the best job on the planet. We continue to help over 121 parents in the community monthly with the number continuing to rise. It is incredible to witness the moment people realize the genuine kindness and support from their neighbors. Your support helps us make an impact on so many lives and we are grateful to have each and every one of you a part of the SMOC community. We appreciate every prayer, well-wish, donation and kind word.

Love and Positive Thoughts Always,  
Eileen

*Patty's Story In Her Own Words*

Oh where do I begin.. I came to SMOC fresh out of a domestic violence situation with my baby's father. And I met Tara and Eileen, who both welcomed us with open arms. They offered and have given me so much help and support that I was overwhelmed with a warm heart and love! I loved being a part of your SMOC family. And will continue to stay in contact with them for the years to come! Thank you for everything guys! Hayden and I love you!
